What is a Recovery Coach?

A Recovery Coach is an NDIS funded worker that has mental health knowledge. These people can also be coaches with 'lived experiences' who have undergone their own mental health recovery and are able to use this knowledge to inform their work.

Generally recovery coaches work with people with psychosocial support needs, and assist by providing support for recovery towards building a purposeful and meaningful life.

There is a total of (15) units to complete this qualification. (11) Core Units and(4) Elective Units

CORE UNITS

All (11) Core Units must be completed as part of this course

- CHCDIV001 Work with diverse people

ELECTIVE UNITS

All (4) Elective Units must be completed as part of this course

The electives have been pre-selected to best fit the role of a Recovery Coach

- CHCCCS003 Increase the safety of individuals at risk of suicide
- CHCCCS019 Recognise and respond to crisis situations
- CHCDIS021 Prepare for NDIS support coordination
- CHCDIS022 Coordinate NDIS participant support

**Note CHCDIS021 Prepare for NDIS support coordination is a pre-requisite unit for CHCDIS022 Coordinate NDIS participant support*

TRAINEESHIPS

A New Entrant Traineeship can be your pathway into the industry with zero upfront costs, government incentives, and on-the-job training. This program provides eligible trainees with funding to completely subsidise the cost of qualifications. Government Incentives also provide additional financial support for both trainees and employers, not to mention that you also get to learn on the job and get paid as you train! To find out if you qualify, check the following requirements below.

Are you:

- An Australian citizen, Australian permanent resident, or hold a relevant visa?
- 18 years old or over and have finished high school?
- Available for full-time or part-time work?
- Am not currently enrolled in another traineeship program?

If you answered 'Yes' to all four questions, then you're eligible!

NATIONALLY RECOGNISED
TRAINING
